LEGENDARY SOUP CONTEST FAQs

Pick a lighthouse anywhere in the world and create a hearty soup, potage, gumbo, bisque, bouillabaisse, or chowder that represents that special place and the unique people who lived and worked there.

Legendary Soup Contest will be from 12 p.m. to 3:30 p.m. (Fest ends at 6pm).

Soup must be made by you, the contestant. No mixes or canned soups or chowders will be allowed. Contestants must precook their soup.

It is recommend that each contestant cook around 5 gallons of soup. Although not required, this will allow for a 2 oz. sample for approx. 320 attendees.

All contestants will need to supply their own displays and/or pop-up tents, all necessary cooking and serving utensils, appropriate means for maintaining the serving temperature of the soup throughout the contest (including extension cords) and any other decorations or props.

The NLM will provide a chair and a 6' table shared by two contestants (i.e. 3' for each contestant). All tasting cups and spoons will be provided by the NLM.

Be advised, The Promenade is on the water and can be extremely windy with high wind gusts. Weights are required to hold down pop-up tents and other equipment and supplies. Electricity will be available.

Judging for this event is for "People's Choice." Attendees will vote for People's Choice with tokens (until 3:30 p.m.). Presentation of awards will take place around 4 pm.

All contestants must have completed an official contract no later than **September 6, 2019**.
